Subject: Bradford Island FFA Negotiations

Hello Anny, Jeff, John and Gary,

To capture our understanding from the June 21 FFA negotiations for Bradford Island, the States will now need until the beginning of July to submit their comments and input on the draft FFA and USACE will now need until the beginning of August to submit its response to the draft FFA. Given that EPA distributed the draft proposed FFA in mid-April, the States will have had up to 2.5 months to provide their response and USACE will have had up to 3.5 months to do so. I am aware of concerns expressed by officials at EPA, the States and the Yakima Nation about our progress on the negotiation of the draft FFA, so please do your best to keep to these extended commitments.

Also, our next scheduled negotiation session for the FFA is set for Tuesday, July 19, from 9:00 to 10:00 AM pacific time.

Thank you,

Richard
